Concert Etiquette Reminder

Our students have invested significant time and effort in preparing this program and deserve a focused, respectful performance environment. As we prepare for MPA – where audiences remain silent and attentive – we ask that all electronic devices be silenced, that guests remain seated during each selection, and that conversation be kept to a minimum. Applause is welcome at the conclusion of each work. If you are attending with small children or infants, we kindly ask that you step into the lobby promptly if they become restless or vocal so the performance is not disrupted. Thank you for helping us maintain the professional atmosphere our students are working hard to achieve.
