

Durant Music Boosters Corporate Sponsorship Tiers

The Durant Music Boosters is an organization dedicated to supporting the entire Durant High School music department, including marching band, concert band, orchestra, color guard, and jazz band. We are a non-profit 501 (c)(3) organization that seeks to provide opportunities for students to have an enriching musical education beyond what the school alone can supply. The School District of Hillsborough County and Durant High School provide less than 10% of the program's total operating expenses. The rest of the budget is funded by student fees and fundraising. We are seeking business and individual sponsors to help reduce the financial burden on our students and their families by enabling the Music Boosters to better support these music department programs.
